

CONFIDENTIAL

Received a call from Jim Wilderotter, on the White House staff, who said he would be interviewed by the staff of the House Post Office and Civil Service Committee today and wondered how things stood between that Committee and the Agency. I told him that when the Director had appeared before Chairman Charles H. Wilson's (D., Calif.) Subcommittee several weeks ago, in executive session, Wilson had treated the Director quite well and in fact complimented him on his forthrightness. I said Representative Patricia Schroeder (D., Colo.) had caused no particular problems and in general the session had gone quite well. I added that we will be sanitizing that testimony for publication and Wilson had asked for further information on the mail insertion activities but had agreed this material could be provided on a classified basis.

9. [] Mark Kleinman, on the staff of Representative Les Aspin (D., Wis.) called to ask if we could provide him with any information on possible Russian violations of the SALT I agreement. I told Kleinman that this was an especially sensitive area but I would check and see what, if anything, could be done.

10. [] I gave approximately 200 members of the Congressional Interns Group a briefing on the Agency on Capitol Hill this afternoon. There were a number of hostile questions from the group, but the session lasted for over an hour and a half and hopefully did some good in educating this group on what CIA is all about.

11. [] Picked up two letters from Jim Kronfeld, on the House Government Operations Subcommittee on Government Information and Individual Rights staff.

12. [] Frank Sullivan, Senate Armed Services Committee staff, called about the possibility of briefing Senator Sam Nunn (D., Ga.) on the military/economic situation in mainland China, sometime during the week of 28 July. [] has been advised.

13. [] Jim Smith, Senate Armed Services Committee staff, called on behalf of Chairman John C. Stennis (D., Miss.) about the possibility of declassifying Mr. Colby's 13 June letter to the Senator [].

CONFIDENTIAL

25X1 25X1A 9. [redacted] [redacted] and I had our regular weekly meeting with Senator John C. Stennis (D., Miss.) (see Memorandum for the Record).

25X1 10. [redacted] Called David Russell in the office of Senator Dewey F. Bartlett (R., Okla.) and told him of the arrangements for Senator Bartlett's visit to the Agency for breakfast tomorrow. I told him we planned to brief the Senator on the functions of the Agency and its relationships to the executive branch and to the Congress, and to give him a briefing on Soviet strategic weapons. Russell asked about accompanying the Senator and I politely indicated that the sensitivity of the material was of such a nature as to preclude this. He did not press the issue further.

25X1 11. [redacted] Accompanied the Director to a briefing of the Joint Economic Committee on Soviet and Chinese economies (see Memorandum for Record).

25X1 12. [redacted] The Director met privately with Senator Frank Church (D., Idaho) to discuss a matter raised as a result of staff interviews with Jim Angleton yesterday.

25X1 13. [redacted] Ron Tammen, on the staff of Senator Proxmire (D., Wisc.) called to ask the status of the sanitized statement we are preparing in connection with the Director's testimony before the Appropriations Subcommittee on Housing, Urban Development and Independent Agencies on 4 June. After conferring with DD/S&T, I advised Tammen that it should be ready by 25 July. Tammen indicated that this timing was acceptable to him.
